

Testimonials for Kim Haddock

From Willie J., Proud New Homeowner: Kim is very professional. She cares about her clients and will work hard to make sure you're getting everything done you need for your mortgage approval. She helped me with my first home, and she was amazing. Thanks again Kim, I hope all the best in your business, because you deserve it.

From Mark S., Foreign: "Wow.....is the one word that really sums it up for my first experience with this organization and Kim. Kim was helpful from day one to closing - I am not a first time buyer and have several properties within North America. Kim has been open and honest with me from day one and was recommended by my real estate agent. Being remote and being able to either call or e-mail Kim during my requirement periods was excellent. I would have no hesitation in using the organization or recommending Kim to any other individuals or even using their services again in the future. "

From Scott M.: "I have purchased many homes over the years, but have never had the level of what can only be described as devotion to the client, as I experienced with Kim Haddock of EquitiFirst, Inc. Kim was committed to doing everything possible to help me through the process, and get me to the closing in the quickest time. Kim is highly qualified to handle all the possible scenarios that do pop up in the loan process. Provide her with all the documents she needs, and let her go to work for you. Don't waste your time applying to one Bank that can take a month to tell you they will not loan you the money. Let Kim choose the Bank that will be the best match for your particular situation. I am very grateful to Kim Haddock and EquitiFirst for all the hard work they did for me, and the great rate they got me in such a short time. I love my new home, and Kim Haddock and EquitiFirst are my home loan experts!"
